Quotation of an appropriate paragraph: Law No. 9741 dated 21 May 2007 on Higher Education in the Republic of Albania <u>Article 28 Programs of inter-disciplinary studies</u> 1. Within an institution of higher education, the faculties may organise joint programs of inter-disciplinary studies. Such programs may also be organised by faculties of different institutions of higher education. 2. At the end of the inter-disciplinary study programs, a joint diploma is issued by the two institutions of higher education. <u>Article 29 Programs of joint studies</u> 1. Programs of joint studies are realised in an institution of higher education or one of its principal units, in cooperation with one or more other public or private institutions of higher education in the country or abroad. 2. The programs of joint studies are organised by the institutions of higher education themselves. After the completion of the studies, a joint diploma or a double diploma is issued. Involvement in joint study programmes

Number of joint study programmes:

Number of higher education institutions involved:

We don't have this data

Additional comments:

The main joint study programmes in Albania are established through Tempus projects

Example of excellence for Joint (Degree) Programme Development in South-Eastern Europe (2008) (Shkodra University)

International Joint Master Degree in Plant Medicine (2009) (Tirana and Korca universities)

Regional Joint Doctoral Programme in Entrepreneurship and SME Management for Western Balkan Countries (2010) (Tirana university and Agriculture)

In addition, a few joint programmes are established in bilateral agreement basis:

2 programmes in Polytechnic university (1 master +1 joint phd)

Prepared in April 2014
